### Section 10 - Stability and reactivity

10.1. Reactivity No data available. 10.4. Conditions to avoid None known based on information supplied.

10.2. Chemical stability Stable under normal conditions. 10.5. Incompatible materials No information available.

10.3. Possibility of hazardous reactions None under normal processing 10.6. Hazardous decomposition products None under normal use.

# Section 11 - Toxicological information

### 11.1. Information on toxicological effects

Eye Contact May cause eye irritation.

Skin Contact There is no data available for this product. There is no data available for this product. Ingestion

Delayed and immediate effects and also chronic effects from short and long-term exposure Based on available data, the classification criteria are not met. Carcinogenicity Based on available data, the classification criteria are not met. Chronic Toxicity

### Section 12 - Ecological information

12.1. Toxicity			
Ecotoxicity	The product is not expected to be hazardous to the environment.		
Persistence and Degradability	No information available.		
Bioaccumulation	The product does not contain any substances expected to be bioaccumulating.		
Other Adverse Effects	No information available.		
12.2. Persistence and degradability: No information available.	12.5. Results of PBT and vPvB assessment No information available.		
12.3. Bioaccumulative potential: No information available.	12.6. Other adverse effects None known		
12.4. Mobility in soil Adsorbs on soil.			

### Section 13 - Disposal considerations

13.1. Waste treatment methods: Waste from Residues / Unused Products Dispose of in accordance with local regulations. Contaminated Packaging Empty containers should be taken to an approved waste handling site for recycling or disposal.

	Section 1	[4 - Trans	port inf	formation
--	-----------	------------	----------	-----------

14.1 UN number N/A	Ground: Non-Hazardous	14.4 Packing group N/A	Product Regulated for Transport No
14.2 UN proper shipping name N/A	Sea: IMDG Class: Non-Hazardous	14.5 Environmental hazards N/A	14.7 Transport in bulk according to Annex II of
14.3 Transport hazard class(es)	Air: ICAO/IATA Class: Non-Hazardous	14.6 Special precautions for user N/A	MARPOL 73/78 and the IBC Code: N/A

# Section 15 - Regulatory information

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

EU Legislation: The UN Globally Harmonized System (GHS) Safety Data Sheet format (Annex IV) is implemented as Annex II of REACH EU No 2015/830 of 20th May 2015 amending regulation (EC) No 1907/2006. Detergent Regulation (EC) No. 648/2004

# Section 16 - Other information

Full text of H-phrases referred to under Sections 3: N/A

The percentages reflected in section 3 of this SDS represents the levels of hazardous components in the mixture.

Document Control No. FU FNG SDS-34536 Revision Date 02-Jul-2019 Revision Note Rev 00
