Subject: Transfer of the Distribution of Ruhof Product Range

Dear Ruhof Customer,

Pesckett Solutions Ltd have been the exclusive UK distributor of Ruhof medical cleaning and maintenance products for the last 26 years. Which has been challenging at times, but also rewarding and enjoyable.

After 26 years, it is time to pass the Ruhof baton to a new home. That new home is Health Edge Solutions, a UK based medical industry distributor and decontamination specialist. Some Ruhof customers may already be using Health Edge Solutions for other complimentary products.
